GENERAL RULES

- Players must have a Caesars Rewards card to register.
- All tournaments will have an optional staff add-on for additional chips. This information can be found on the tournament's structure sheet provided by the Poker Room.
- Any prizes won over $5,000 may require a W-2G.
- Management reserves the right to cancel or alter any tournament. Must have four players registered at start time to run the tournament. A supervisor or above can alter the time start.
- See structure sheets specific rules.
- Satellite seats are non-transferable. If multiple seats are won, player may use the seat as a re-entry. If seats remain after the event, the player may transfer the seat to another WSOP-C tournament of equal value.
