Rules & Regulations

All rules are the same as those that apply to live games. It should be remembered that in a tournament, theoretically, all players are playing at one large table (as opposed to single table live-action), so players, supervisors and dealers have the increased right and obligation to protect players at other tables in regards to the enforcement of certain rules.

♠

A player must be at his or her seat by the time all players have been dealt complete initial hands to have a live hand. Players must be at their seats to call time. "At your seat" is defined as being within reach or touch of your chair.

♠

Higher-denomination chips must be placed where they are easily visible to all other players at the table. 'Hidden' chips may result in the offender being restricted in the player's further action or another player being allowed to reconsider their action.

♠

Tournament chips must be visible on the table throughout the event. Chips taken off the table will be removed from the event, and a player doing this may be disqualified.

♠

All cards will be turned face up once a player is all in and all action is complete.

♠

A player must show cards when playing the board to get part of the pot.

♠

All cell phones and other voice-enabled and "ringing" electronic devices must be silenced during tournament play. A player who wants to use a cell phone must be at least one table length away from their assigned table or be subject to penalty. No cell phones or other electronic communication device can be placed on a poker table.

♠

A player exposing their cards with action pending may incur a penalty, but will not have a dead hand. The penalty will begin at the end of the hand. All players at the table are entitled to see the exposed card(s), if requested. A penalty may also be imposed if a player throws a card off the table, violates the one-player-to-a-hand rule or engages in similar behavior. Penalties will be invoked in cases of verbally stating one's hand during play, soft-play, abuse or disruptive behavior. All penalties will be imposed at the tournament director's discretion.

♠

All decisions regarding the interpretation of rules, eligibility, etc. for this tournament lie solely with Horseshoe Casino Hammond and tournament staff whose decisions are final.

♠

Horseshoe Casino Hammond reserves the right to modify or cancel this tournament at any time, for any reason, subject to any applicable regulatory approval, provided that such modification shall not, as of the date of such modification, materially alter or change any participant's offer already awarded.
