FALL INTO RELAXATION

The Old Fashion 80 minutes | \$195

A decadent hydrating treatment. Drench your skin in warm butter brulee milk bath soak combined with a lightweight brown sugar, bourbon, and gingersnap-pecan body scrub leaving your skin ready for hydration. Next the intoxicating smell of sweet cinnamon and clove will fill the room as you are painted with warm honey glaze, and enveloped in a thermal heating wrap. Unwind as you enjoy a hot oil scalp treatment with agave nectar as your skin seals in the moisture of fresh honey. Your experience finishes with an application of warm caramel body milk lotion.

Cinnasweet Massage 50 minutes | \$140

Soak in a steaming linen wrap infused with butter brulee whole milk, chicory root and sweet almond oil. Next, enjoy a limbering full body massage using Red Hot Sparkling Oil, an antioxidant rich sweet-cinnamon scented olive fruit and grapeseed oil. When finished, you'll step out and melt the snow.

Burdock Pumpkin Butter Stimulating & Balancing Facial 50 minutes | \$150

A pre-cleanse with milk-infused steaming towels opens pores before a whipped shea butter and sugar polish gently cleanses and hydrates. Next, skin is smoothed with a natural buffing powder blend made with calming burdock root, mango butter, skin-enhancing rice powder, and whole milk. A mud mask with organic pumpkin puree helps to detox skin -- you'll feel the gentle tingle as it works its magic. A firming peptide-enhanced moisturizer helps soften your deepest wrinkles, while Crow Catcher Eye Serum helps eliminate the look of fine lines. After experiencing this facial treatment, you may just believe in magic!
