

# LUCKY LADIES

Lucky Ladies™ is an optional proposition bet used in the game of Blackjack. The proposition is whether or not the player's first two cards equal a total of twenty. Additional bonuses are paid if the player's first two cards equaling twenty are suited, (e.g. Ace of Clubs and Nine of Clubs) or matched, (e.g. two identical cards such as two Kings of Diamonds). Special bonuses are awarded if the player's first two cards are each a Queen of Hearts, (the "Lucky Ladies"), and the top prize is awarded if the player's Queen of Hearts pair occurs at the same time the dealer has a blackjack.

The outcome of the primary blackjack bet has no bearing on the Lucky Ladies™ bet and vice versa. A player can win on one and lose on the other.

Other than the payment or loss of the proposition bet on the first two cards, there is no affect on the primary game of blackjack and no changes in dealing procedures or player strategy.

## START OF GAME

Prior to the start of each round of blackjack play, players are afforded the opportunity to place a voluntary Lucky Ladies™ bet on the designated spot on the table layout at the same time their primary bet is made and before any cards are dealt.

The minimum and maximum wagering limits of the Lucky Ladies™ wager are posted at the table.

After all wagers have been placed, the dealer deals the first two cards to each player and to themselves in the same manner as regular blackjack dealing procedures.

The winning payoff odds are as follows:

MULTIPLE DECKS	
WINNING HAND	PAYTABLE
Queen of Hearts pair w/ Dealer Blackjack	1000 to 1
Queen of Hearts Pair	200 to 1
Matched 20	25 to 1
Suited 20	10 to 1
Any 20	4 to 1

**Maximum payout \$25,000 per player, per hand.  
Applicable to only Lucky Ladies wager.**

*Note: Only the highest qualifying hand is paid. For example, if a player's initial two cards are two Queen of Clubs, the hand is paid as a "Matched 20" only. They do not also receive payment for a "Suited 20" or "Any 20."*

## RESUMPTION OF BLACKJACK GAME

The take or pay procedure for the Lucky Ladies™ wager is accomplished prior to any additional cards being dealt by the dealer. At the conclusion of the Lucky Ladies™ take or pay procedure, the blackjack game resumes as normal.
