**Caesars Entertainment and its affiliates are committed to helping build a strong Valley Center community.**

As the number one resort in Funner, California, it's no surprise that Harrah's Resort Southern California has come up with some creative and exciting ways to support causes throughout the Southern California region. By empowering our teammates to take action and support local causes, businesses and Mother Earth, we're working together with our partners, the Rincon Band of Luiseño Indians, to build a community where fun comes first!
