

# MEET RESPONSIBLY AT HARRAH'S LAS VEGAS

CATEGORY	MEASURE	2016 PERFORMANCE
Total Energy	Ratio therms to conditioned square feet	1.24 therms/sq.ft.
Water	Ratio kGal to conditioned square feet	0.08 kGal/sq.ft.
Waste	Percentage waste diverted from landfill	47%
Volunteerism	Employee hours volunteered (LV Region)	26,420 hours
Property Giving	Monetary & In-Kind Giving to Charity (LV Region)	\$265,930

## Efficient Facility

- >70% of lighting uses high energy efficiency equipment and technology
- >25% of guestrooms are equipped with low-flow showerheads
- Other HVAC Technologies: low-NOx emitting boilers, building automation systems

## Sustainable Practices

- Waste Diversion Program: Property sorts all recyclables from waste stream for diversion away from landfills, including paper, glass, aluminum, plastics, furniture, and electronics
- Sheets are changed upon request and towels left hanging are not replaced to save water

## Community Partnerships

**Clean the World** foundation recycles used toiletries and distributes them to communities in need all over the world. All used soaps and shampoos are collected from guestrooms daily to assist their mission.

**Teacher Exchange** is a re-use and recycle resource center for Southern Nevada public school teachers. We encourage meeting guests to leave conference materials behind to benefit our schools.

**Opportunity Village, Second Wind Dreams and Meals on Wheels Association** are a few other inspiring organizations we work with. We invite you to support the Las Vegas community during your stay, just ask our meeting professionals about local outreach opportunities.
