

MEET RESPONSIBLY AT PLANET HOLLYWOOD

CATEGORY	MEASURE	2016 PERFORMANCE
Total Energy	Ratio therms to conditioned square feet	1.33 therms/sq.ft.
Water	Ratio kGal to conditioned square feet	0.09 kGal/sq.ft.
Waste	Percentage waste diverted from landfill	47%
Volunteerism	Employee hours volunteered (LV Region)	26,420 hours
Property Giving	Monetary & In-Kind Giving to Charity (LV Region)	\$265,930

Efficient Facility

- >75% of lighting uses high energy efficiency equipment and technology
- >90% of guestrooms are equipped with low-flow showerheads
- Other HVAC Technologies: low-NOx emitting boilers, building automation systems

Sustainable Practices

- Waste Diversion Program: Property sorts all recyclables from waste stream for diversion away from landfills, including paper, glass, aluminum, plastics, furniture, and electronics
- Sheets are changed upon request and towels left hanging are not replaced to save water
- Trinity Oaks plants a tree for each bottle of their wine sold at Planet Hollywood

Community Partnerships

Clean the World foundation recycles used toiletries and distributes them to communities in need all over the world. All used soaps and shampoos are collected from guestrooms daily to assist their mission.

Teacher Exchange is a re-use and recycle resource center for Southern Nevada public school teachers. We encourage meeting guests to leave conference materials behind to benefit our schools.

Opportunity Village, Second Wind Dreams and **Meals on Wheels Association** are a few other inspiring organizations we work with. We invite you to support the Las Vegas community during your stay, just ask our meeting professionals about local outreach opportunities.

Environmentally Preferred Choices*

- Reusable White Boards
