There are also opportunities for individualized care management.
Employee Assistance Program (EAP)	Caesars Entertainment offers a robust Employee Assistance Program (EAP) to support mental health for our Team Members and their households, offering opportunities for engagement through traditional face-to-face sessions as well as video and chat options.
Wellbeing Program	Caesars Entertainment offers a robust wellbeing program that provides a comprehensive web-based platform that offers activities across physical, mental, social and financial aspects of wellness and integrates opportunities for medical premium reduction and additional incentives for engagement.

BENEFITS OVERVIEW

Medical + Pharmacy, Dental & Vision Pricing

Medical

Caesars offers five medical coverage levels, known as metallic coverage levels – bronze, bronze plus, silver, gold and platinum. All metallic plans offer comprehensive medical and prescription drug coverage, and preventive care is covered at 100 percent when you use in-network providers.

The bronze, bronze plus, and silver plans are high-deductible plans that allow you to use any doctors you want, though you will pay less in-network. They come with a Health Savings Account (HSA) to help you pay for qualified health care expenses.

The gold and platinum plans are more traditional PPO plans with co-pays for routine care and prescriptions, and moderate to low deductibles for major procedures and hospitalizations.

Key differences between the plans are outlined in the following tables. Consider your needs and preferences when choosing the plan that works best for you and your family.

BENEFITS OVERVIEW

Medical and prescription drug cost-sharing details

Here's how each of the plans cover eligible costs with in-network providers. Out-of-network care will cost more for all plans. All available metallic coverage levels provide the same level of medical services, preferences when choosing the plan that works best for you and your family.

Annual deductible

For the bronze, bronze plus and silver plans, the deductible for your coverage level must be met before Caesars starts sharing in the cost of care. For the gold and platinum plans, you pay co-pays for routine services, and a moderate to low deductible plus co-pays for complex/major services.

Aggregate or embedded deductible and out-of-pocket maximum

With an aggregate deductible, you pay 100 percent of all out-of-pocket medical expenses for covered family members until the family deductible has been met.

With an embedded deductible, you pay 100 percent of all out-of-pocket medical expenses for covered family members until any covered family member meets their personal deductible, then member pays coinsurance for that family member's expenses.

Remaining covered family members' expenses continue to apply toward their individual and the family deductible. Once the family deductible is met, member pays coinsurance for all covered family members. Annual out-of-pocket maximum follows the same structure as deductible, based on plan selected.

BENEFITS OVERVIEW

HSA Medical plans (Bronze, Bronze Plus, and Silver) What you need to know

Deductible: You are responsible for 100 percent of eligible medical and pharmacy expenses until the deductible is met (except for certain preventive care medications and services).

Coinsurance: Once your deductible is met, you pay a percentage of eligible medical and pharmacy expenses and Caesars pays the rest.

Out-of-pocket maximum: If you reach your out-of-pocket maximum, eligible medical and pharmacy expenses are paid by the plan for the rest of the year.

One of the most important things to note about these plans is the account they come with – a Health Savings Account (HSA). In these plans, you will also be eligible to receive HSA match dollars from Caesars.

According to federal guidelines, you can open and contribute to a Health Savings Account if you:

Are covered under a qualifying high-deductible health plan which meets the minimum deductible and the maximum out of pocket threshold for the year.

- Are not covered by any other medical plan, such as that for a spouse/domestic partner.
- Are not enrolled in Medicare.
- Are not enrolled in TRICARE or TRICARE for Life.
- Are not claimed as a dependent on someone else's tax return.
- Are not covered by medical benefits from the Veterans Administration.
- Do not have any disqualifying alternative medical savings accounts, like a Flexible Spending Account or Health Reimbursement Account even through a spouse's plan.

Free money from Caesars

When you contribute to your Health Savings Account, Caesars will match your contribution dollar for dollar. The maximum match amount in a plan year is \$500. Match amount is based on the number of eligible dependents enrolled on your medical plan.

Employee contributions	You can make pre-tax paycheck contributions up to the annual IRS limit. Visit irs.gov for the latest contribution limit** for your coverage status. Participants age 55+ may be eligible to make catch up contributions.		
Eligible expenses	Eligible medical, prescription drug, dental and vision out-of-pocket expenses for you and your tax dependents. Visit irs.gov for more specific guidance on eligible expenses.		
How to use it	Use your HSA debit card or reimburse yourself.		
Portable	Yes, your HSA is owned by you and is always yours to keep.		

* Match amounts will be prorated for mid-year enrollments. You may be required to verify your HSA eligibility per Patriot Act guidelines. If you fail to verify your eligibility within 90 days after enrollment, you will not be able to contribute pre-tax dollars through payroll and will forfeit any match dollars from Caesars for the current Plan year. You may be eligible to receive match dollars in future years if you successfully verify your eligibility for an HSA and your account is opened later.

** The amount that you contribute, plus any matched contribution made by Caesars both apply to the annual IRS contribution limit.

BENEFITS OVERVIEW

Caesars Team Member Wellbeing Program

The Caesars Team Member Wellbeing program supports you in making your physical, mental, emotional, interpersonal and financial and professional health a priority. Through our new partnership with WebMD, you decide what's most important to you and then take action.

How to participate:

Lower your medical premium* by participating in the Know Your Numbers part of the program:

- Complete a Wellbeing Assessment so you know what health and wellbeing behaviors to focus on.
- Complete a Biometric Screening to identify areas of opportunity for your personal health improvement.

Earn points and reward yourself through the Caesars Total Return store:

- Take part in as many programs or activities as you like to improve your overall wellbeing.
- Earn up to a \$300 per year incentive point value for your own participation, and up to an additional \$300 per year incentive pointvalue if your spouse/domestic partner is enrolled on your medical plan and participates.
- You must complete the “Know Your Numbers” activities to earn the Wellbeing program activity points.

On-site, near-site, and virtual primary care

At Caesars, we believe that high quality healthcare should meet you where you are. That's why we've partnered with Premise Health to provide eligible Team Members on-site and virtual primary care services that are high quality, affordable and easy to access.

Caesars Team Member Health Centers and clinics provide a wide variety of routine, complex and urgent care services, including:

- Preventive care services such as biometric screenings, annual physicals, women's well visits, pediatric visits, lab draws, vaccinations
- Routine laboratory services
- Pharmacy services
- Urgent care services like fever/flu symptoms, earache/infections, respiratory symptoms, allergies, minor cuts/abrasions, rashes, insect bites, contusions, sprains/strains
- Registered Dietitian Services
- Physical therapy (where available)
- Condition management, and more!

If you don't have an on-site or near-site clinic available to your work location, then virtual primary care has you covered. A virtual primary care clinic can provide many of the same services that an in-person clinic can, but conveniently wherever you are today.

The Caesars virtual clinic through Premise Health will use a secure mobile app to schedule appointments with you and connect you with a credentialed and licensed healthcare provider. The provider at your virtual clinic will be your designated primary care provider, so you can build an ongoing relationship for your health.

BENEFITS OVERVIEW

Dental

Through the Caesars Healthcare & Benefits Marketplace, you can choose from three levels of dental coverage: bronze, silver, and gold. As with medical, the level of coverage you choose determines how much you pay from your paycheck now, and how much you pay later when you visit the dentist. The level of coverage also affects which services are covered and for whom. You will also choose which carrier you want your plan to be with. Your carrier affects which dentists are in or out of the coverage network. In-network costs are demonstrated below. Out-of-network care will cost more.

Vision

The Caesars Healthcare & Benefits Marketplace offers you three levels of vision coverage to choose from: bronze, silver and gold. As with medical and dental, the level of coverage you choose determines how much you pay from your paycheck now, and how much you pay later when you visit the eye doctor. Level of coverage also affects which services are covered. You will also choose which carrier you want your plan to be with. Your carrier affects which optometrists are in or out of the coverage network. In-network costs are demonstrated below. Out-of-network care will cost more.

HEALTHCARE & FLEXIBLE SPENDING ACCOUNT (FSA)

An FSA allows you to save pre-tax dollars for health care expenses. This option is only available if you enroll in the gold or platinum plan, or waive medical coverage. It can be a good savings tool if you expect to have out-of-pocket health care expenses during the Plan year.

How it works

You choose how much you want to elect for the year (\$260 minimum up to the annual IRS limit) and your contributions will be taken out of your paychecks on a pre-tax basis, in equal amounts spread over the whole year. The full amount you elect for the year will be available on your first day of coverage.

Use the account to pay for eligible out-of-pocket medical, prescription, dental and vision expenses for you or your family members throughout the year. Save your receipts in case the IRS ever needs proof that you've used FSA funds on eligible expenses.

Use it or lose it: IRS guidelines require that you use all the money in your Health Care FSA each year – or you will lose it. When you're planning your FSA elections, take time to estimate your expected eligible expenses for the benefit plan year ahead.

Reimbursement deadline

You have until March 31 of the following year to submit expenses for FSA reimbursement. You can submit any expenses incurred between January 1 and December 31 of the plan year for reimbursement

No FSA with an HSA

If you enroll in an HSA-eligible plan, you cannot elect an FSA. Instead, consider contributing up to the maximum to your HSA. HSA contributions are yours to keep, even if you leave Caesars, and can be used for eligible medical, prescription, dental or vision costs, now or in the future..

LIFE & DISABILITY

Caesars provides income protection benefits to ease the financial burden to you and your family in the case of a death or disability. Basic life and disability coverage is provided automatically and paid for by Caesars, and you have the option to purchase additional coverage.

Your "base pay" considered for calculating life, accident and disability benefits is based on your wages over the most recent 12 months (annualized if you have been employed for less than 12 months). For salaried employees, disability pay is based on your base salary.

Life insurance

Life insurance pays a benefit in the event of a death. Caesars automatically provides basic life coverage at no cost to you. You can purchase additional coverage for yourself and your dependents through paycheck deductions. Your basic coverage and supplemental options are shown below.*

Special opportunities to purchase supplemental life insurance

During your initial enrollment as a newly-eligible Team Member, you can elect up to \$350,000 of supplemental life insurance without having to provide proof of good health.

During annual enrollment, you can elect or increase your supplemental life coverage by one level without proof of good health up to the guaranteed issue amount (\$350,000).

If you want to purchase higher coverage amounts, or if you have been previously denied coverage, you will be required to provide proof of good health and be approved for coverage.

	HOURLY	SALARIED	EXECUTIVE (MANAGEMENT GRADES 17+)
Basic life insurance	\$40,000	1x base pay to a maximum of \$1,000,000	2x base pay to a maximum of \$3,000,000
Supplemental life insurance	Variable increments available up to a maximum of \$2,000,000		
Dependent life insurance	Spouse/Domestic Partner	\$5,000 increments, maximum of \$100,000	
	Child/Children	\$10,000, \$15,000, \$20,000	

* If you are 65 or older, your life insurance coverage will be reduced. The amount you will be eligible for is printed on your enrollment worksheet.

LIFE & DISABILITY

Disability benefits

Disability benefits protect you and your family from financial hardship if a non-work-related illness or injury prevents you from working.

Caesars automatically provides basic disability coverage at no cost to you.

Short-term disability (STD) – Replaces a percentage of your pay if you are out of work due to a qualifying illness/injury that exceeds 14 days, for up to 24 weeks or until you recover, whichever comes first.

Long-term disability (LTD) – Replaces a percentage of your pay if you are still unable to work after 26 weeks of continuous qualifying illness/injury.

These benefits become available to you 90 days after your date of hire. In addition to the coverage provided by Caesars, you can purchase supplemental disability coverage. If you buy supplemental coverage as a new hire, you do not have to show proof of good health. Any future purchase after new-hire enrollment is subject to approval by New York Life.

Company-provided benefits are subject to federal, state and local income taxes. You pay for supplemental coverage after-tax, so any benefits you receive under supplemental coverage are not subject to taxes when received. Your basic coverage and supplemental options are shown below.

	HOURLY	SALARIED
Short-term disability*		
Basic short-term disability	50% of base pay + tips, tokens and commissions	70% of base pay
Optional buy-up	10% of base pay + tips, tokens and commissions, for a combined benefit of 60% of pay	Not applicable

Optional buy-up	10% of base pay + tips, tokens and commissions for combined coverage of 60% of pay	10% of base pay for combined coverage of 60% of pay
Maximum benefit	\$12,500/month (basic), \$15,000/month (buy up)	
Benefit begins	After 180 days	
Benefit duration	Based on age when disabled, see SPD for more information	

* Any benefits you receive from company-provided coverage will be reduced by benefits paid from a state disability plan. You must apply for state benefits on your own.

**Subject to pre-existing condition limitations for the first 12 months of coverage.

EXTRAS

Employee Assistance Program (EAP)

The EAP is a free, confidential service that provides support for a wide variety of life issues. You and all members of your household have access to unlimited phone-based counseling and up to five face-to-face sessions for each topic that may arise. EAP counselors can help with a variety of issues, including:

- Child care, parenting and elder care
- Stress or depression
- Marital or relationship issues
- Alcohol, substance or gambling problems
- Financial or legal advice
- Balancing work and life

Voluntary Insurance Coverage

Sometimes life doesn't go exactly as planned. Think about it. If a serious illness or accidental injury prevented you or a loved one from caring for yourself/themselves for more than a few days or weeks, would you or your family be able to continue to pay for your home, grocery and/or medical expenses? Or, if you or a loved one were to unexpectedly pass away, how would funeral expenses be paid, or would your household be able to continue maintaining the same financial stability you and your loved ones have become accustomed to?

Many Caesars Team Members, like yourself, would not be able to continue paying these expenses for an extended period while unable to earn a paycheck. That's why Caesars offers a wide array of coverage options so you can prepare for any challenge that comes your way. Coverage is even available to provide legal services, or protect your identity, your automobile(s), your home and your four-legged dependents.

Accidental Death and Dismemberment

Securian's Accidental Death and Dismemberment (AD&D) coverage will pay a benefit if you or your covered dependent dies, and the death is attributed to an accident. The policy can also pay a benefit if you live but experience a physical dismemberment caused by an accident.

AD&D pays in addition to any basic and/or supplemental life coverage you may have in force.

Hospital Indemnity Insurance

Voya's Hospital Confinement Insurance pays you a daily benefit amount if you are admitted and confined to the hospital. Maximum up to 30 days confinement, up to 8 confinements per year.

Payment is made to you directly, so you can use it to help pay your portion of any related medical bills, or on whatever would help you most.

Critical illness insurance

Voya's Critical Illness Insurance pays you a lump-sum payment if you or a covered family member is diagnosed with a covered medical condition and meets the policy and certificate requirements.

Payment is made to you directly, so you can use it to help pay your portion of any related medical bills, or on whatever would help you most.

Accident injury insurance

Voya's Accidental Injury Insurance pays you a defined benefit amount if you or an enrolled dependent experience an injury.

Payment is made to you directly, so you can use it to help pay your portion of any related medical bills, or on whatever would help you most.

EXTRAS

Prepaid legal plan

With the MetLaw legal plan from Hyatt Legal Plans, you have access to a wide range of personal legal services and full representation for you, your spouse and your dependents. The plan fully covers telephone advice and in-office consultations (except for excluded matters).

Auto & home insurance

Compare your auto and home insurance policies with quotes from some of America's top-rated companies over the phone. Best of all, you can switch right on the call – even if your policy hasn't expired.

Through this program, you can compare and switch policies for a wide variety of insurance needs, including auto, home, boat, personal excess liability, renters and many others.

Lifelock by Norton

No one intends to be unsafe online. Protect your identity and devices with LifeLock by Norton.

Pet insurance

Pet insurance through Nationwide offers affordable, comprehensive plans that you can use with any veterinarian, anywhere. Coverage is available for accidents, illnesses and preventive care. You're eligible for a discount when you enroll through Caesars, and you can save even more when you enroll multiple pets.
