

TriLux Bonus is an optional bonus bet for blackjack that considers your first two cards and the dealer's up-card.

To begin each round, players must make their standard blackjack wagers. They may also make the optional TriLux Bonus wager. If the TriLux Bonus wager is made, then the player may also place the TriLux Super 3 wager. The dealer then follows house procedures for blackjack. Once players and the dealer have two cards, the dealer settles TriLux Bonus wagers immediately.
