TO: Current Caesars Southern Indiana Vendors

RE: Ownership Change/Vendor Management

Valued Caesars Southern Indiana Vendors,

As you may be aware, the recent sale of Caesars Southern Indiana to EBCI Holdings, LLC ("EBCI") was completed on September 3rd, 2021.

As part of the agreement, Caesars Entertainment, Inc. (CEI) will continue to procure materials from vendors on behalf of Caesars Southern Indiana and the property will be eligible to participate in CEI's national agreements*. Additionally, CEI will continue to provide payment for materials and services provided to Caesars Southern Indiana. This transitional service agreement (TSA) is estimated to be in effect until March 3, 2022, and if there is a change, we will advise accordingly. At that time, Caesars Southern Indiana operations and systems will convert to their own procurement system and processes.

The purpose of this email is to clarify and confirm that, upon completion under the TSA and final separation, the property will no longer be eligible for Caesars Entertainment Programs and Agreements. In turn, with the completion of the TSA, CEI will have no responsibility for its actions or obligations.

Caesars and EBCI Holdings, LLC are happy to assist with any questions you may have and are working to ensure the transition is a smooth one for all parties. At this time, all services are to remain on their normal schedules. If you have any questions, please email CSIAP@caesars.com.

Thank you and we look forward to working with you.

Caesars Entertainment, Inc.
