WHAT FORMS OF PAYMENT DO YOU ACCEPT?

We accept Visa, MasterCard, American Express, Discover, or if you prefer, you may send a personal check or money order when there are 40 days or more before the wedding date. If you book in person you may also pay in cash. Please ask your wedding coordinator for detailed instructions if you are paying by check.

After the marriage ceremony your minister will obtain the witness signatures and complete the marriage documentation process and you will be legally married. However, in order to change your name on paper, most governmental agencies, banks, and insurance companies will need a certified copy of the marriage certificate from the Clark County Recorder's Office. Some countries, including Germany, also require an Apostille after the ceremony is recorded to show the wedding was properly documented as per that country's requirements. CAN I OBTAIN THE MARRIAGE CERTIFICATE PRIOR TO MY ARRIVAL?

You may complete a pre-application form online at <http://bit.ly/clarkcountypreapplicationform> up to 60 days before your arrival. However, you must still go to the Marriage Bureau at 201 East Clark Avenue, in person to pick up and pay for your marriage certificate prior to the ceremony.

WHAT DO I NEED TO CHANGE MY NAME?

MINISTERS:

DO YOU SUPPLY AN OFFICIANT?

We have several clergies who perform weddings for us throughout the week. Each minister is committed to providing you a sincere ceremony and recording your documents with the County Recorder's Office in a timely manner. They are each licensed through the County Clerk's office to perform legally binding ceremonies in Nevada. These ceremonies are recognized all over the world. You do need to pay the minister a cash minimum of \$75 on the day of your ceremony.

WHEN CAN I MEET THE MINISTER?

The minister will meet with you approximately fifteen minutes before the wedding, either as a couple or individually. It will depend on whether you are seeing one another before the ceremony or planning a "first look" and keeping out of sight from one another until the walk up the aisle. The minister will ask you whether you prefer a civil, Christian, or God-honoring ceremony. A civil ceremony does not mention God at all and focuses on your relationship with one another. A Christian ceremony may incorporate a blessing or religious

FLAMINGO GARDEN CHAPEL FREQUENTLY ASKED QUESTIONS LIST

scripture from the New Testament into the wedding, and a God-honoring ceremony provides a prayer or may incorporate a special service unique to your personal belief system.

CAN SOMEONE I KNOW PERFORM THE WEDDING CEREMONY?

At the Garden Chapel, we allow you to bring in a clergy person other than those we are contracted with, but three stipulations apply. First, we charge an outside clergy fee of \$150.00. Second, the ceremony needs to remain within a 15-minute time frame. Third, your clergy person needs to obtain “temporary permission to perform weddings” with the Clark County Clerk’s office prior to performing your service. This must be obtained at least 30-days prior to the ceremony by completing the required documents available on <http://bit.ly/lasvegasminister> and submitting them to the clerk’s office in time to receive their approvals.

SPECIALTY MINISTERS

If you have language preferences for the ceremony or prefer a particular minister on our staff, the minister’s fee generally increases to a minimum of \$150 but may be higher depending on the availability of the clergy. *Elvis* would also be a specialty minister who can officiate and/or perform at your wedding.

ARE RABBIS AVAILABLE?

Rabbinical services may be performed by Rabbis from area temples. Our wedding coordinators have a list of Rabbis you may choose from. Bear in mind Rabbis set their own fees and an “own clergy” fee of \$150 will apply.

IS THE MINISTER’S FEE INCLUDED IN THE PACKAGE?

At Planet Hollywood, Paris, Flamingo and The Linq, the clergy’s fee is not included in the package and is due in cash the day of the ceremony. At Caesar’s Palace, the minister or clergy fee is included in the package price.

The minister’s fee at the Flamingo Garden Chapel is a minimum of \$75 payable at the time of your ceremony, in cash.

If you have selected to have a specialty minister perform your wedding ceremony the fee may be different and it will be stated on your wedding contract details along with which specialty minister was requested.

NAME CHANGE:

HOW DO I CHANGE MY NAME?

Changing your name on paper will require a certified copy of the marriage certificate obtainable from the Clark County Recorder’s office ten business days from the date of your marriage ceremony. Governmental agencies will require the certified copy to complete the name change process. We recommend you do a records search online prior to requesting your certified copies. You may do so at

FLAMINGO GARDEN CHAPEL

<http://bit.ly/ordercertifiedcopylvmarriage>. The fee is \$15.00 per document. Or, you may follow the instructions on the back of the marriage certificate.

RENEWAL CEREMONIES:

DO I NEED TO GET ANOTHER MARRIAGE LICENSE IF I AM RENEWING MY VOWS?

Renewal of vows ceremonies do not require a Marriage License, but you will be asked to provide a copy of your marriage certificate and to complete a simple affidavit stating the date and location of your marriage. We do provide renewing couples with a decorative certificate of renewal.

COMMITMENT CEREMONIES:

DO YOU PERFORM COMMITMENT CEREMONIES?

Yes, we can perform a commitment ceremony at all our Caesar's Entertainment properties.

WHAT IS A COMMITMENT CEREMONY?

A commitment ceremony is a unifying ceremony performed by one of our clergy that is not recognized as a legally binding contract in the way a marriage ceremony is by government agencies.

CEREMONY:

CAN I ADD A SINGER?

Yes, you may add a singer to highlight a portion of your marriage ceremony such as the bride's entrance or a unity candle service. Fees for microphones and/or "outside vendor fees" may apply and arrangements for these services should be made prior to your wedding ceremony.

CAN SOMEONE I KNOW PERFORM THE WEDDING CEREMONY?

At the Garden Chapel, we allow you to bring in a clergy person other than those we are contracted with, but three stipulations apply. First, we charge an outside clergy fee of \$150.00. Second, the ceremony needs to remain within a 15-minute time frame. Third, your clergy person needs to obtain "temporary permission to perform weddings" with the Clark County Clerk's office prior to performing your service. This must be obtained at least 30-days prior to the ceremony by completing the required documents available on <http://bit.ly/lasvegasminister> and submitting them to the clerk's office in time to receive their approvals.

HOW LONG IS THE WEDDING CEREMONY?

Though the chapels are booked for a period of 30 to 45 minutes, the ceremony itself only takes about twelve to fifteen minutes. You may choose to add one or two personal touches to your wedding such as a reader, singer, unity candle, sand ceremony, butterfly release, child ceremony, or hand fastening ceremony.

FLAMINGO GARDEN CHAPEL FREQUENTLY ASKED QUESTIONS LIST

Talk with your wedding coordinator about these items as we must keep our ceremonies within certain time frames.

WHAT DOES THE MINISTER SAY?

Each of our clergies has a unique ceremony they have memorized. They can customize portions of their ceremony to suit your belief system. We do not allow people to write the entire ceremony without prior approval and an additional fee requirement. However, if you want to write your own vows of love and devotion, you may. Keep them to eight stanzas or less in length. The minister will also meet with the couple separately prior to the ceremony to discuss what kind of ceremony the couple would like.

WHAT IS THE DIFFERENCE BETWEEN VOWS OF LOVE AND RING VOWS?

In most weddings, there are vows of love and devotion and ring vows. Vows of love and devotion occur as you're pledging your faithfulness and enduring love for your spouse. The ring vows occur when you accept the ring your spouse places on your ring finger. In addition to repeating the minister's vows of love and devotion, you may exchange words you have written to express your faithfulness and love for one another in a more personal way. Discuss this with your coordinator in advance of the ceremony.

WHAT HAPPENS WHEN I ARRIVE FOR THE WEDDING?

Typically, our couples arrive separately because they want to enjoy the "first look" as one makes their way up the aisle to their partner. The bride will arrive 30 minutes before the scheduled ceremony and the groom will arrive with the guests 15 minutes prior to the scheduled wedding time. Your wedding coordinator will tell you where to meet depending on the location you've selected for your ceremony site.

Once you arrive, you'll be provided with your flowers and assisted to an area where you can relax while the chapel staff prepares for your ceremony. The minister will introduce him/herself and interview you briefly about your preference for a civil, religious, or God-honoring ceremony. Approximately ten minutes prior to the scheduled ceremony, the wedding coordinator will line up the wedding party in the order they proceed up the aisle. Once they are in place the coordinator will prepare the bride and her escort. Then she will start the ceremony, cueing the attendants to walk up when it is their turn.

WHEN SHOULD MY GUESTS ARRIVE?

Guests should arrive 15 minutes prior to the scheduled ceremony. Please let your guests know the chapel may be difficult for them to find, so they should leave plenty of time to get to the wedding location. We have a late fee of \$300 and late arrivals may result in the rescheduling of your ceremony for later in the day or for the following day.

HOW MANY PEOPLE CAN I HAVE IN MY WEDDING / BRIDAL PARTY?

The number of attendants depends on the venue you select. At the Flamingo we recommend no more than six attendees on each side at the Gazebos, no more than five on each side at the Garden Chapel, no more than four on each side at the Crescendo area, and no more than three on each side at Paradise Falls.

FLAMINGO GARDEN CHAPEL FREQUENTLY ASKED QUESTIONS LIST

DO I RECEIVE CAESARS REWARDS CREDITS FOR MY CEREMONY EXPENDITURE?

Yes, you receive Caesars Rewards credits in the amount of one reward credit for every one dollar spent at the chapel. After your ceremony, your wedding coordinator can make a copy of your wedding receipt, so you may take it to the Caesars Rewards desk and they will apply your earned credits from your wedding expenditure. Just let your coordinator know the day of the ceremony. Your wedding coordinator can also email your wedding receipt if it wasn't requested the day of your ceremony.

AMENITIES:

CAN YOU STEAM OUT MY GOWN?

Our Bell Desk can send your dress out for steaming for you. We recommend providing them with a 24-hr turnaround time for this, from a 9 am time to a 9 am time. The associated fee will depend on the complexity of your gown going up from a starting price of \$75 and higher if there are several layers to your gown or if it is made with a fabric that is very prone to wrinkling.

IS LIMOUSINE SERVICE INCLUDED?

Some of our packages include a six passenger, stretch limousine. You may upgrade the limousine type if you choose to for additional fees. Our chapel uses a third party for guest transportation. Your limousine times should be scheduled through your wedding coordinator at least three weeks prior to your ceremony. Please verify the arrangements are correct when reviewing your contract.

IS THERE A SALON AT THE HOTEL?

Stylists at spas and salons in Caesars Entertainment owned properties are very familiar with a bride's unique expectations and the importance of making sure your beauty treatments reflect who you are, so you look and feel your best on your wedding day. We have two salons near the Garden Chapel that can provide services.

PREPARATION:

WHAT DOES THE WEDDING COORDINATOR DO?

The wedding coordinator is responsible for preparing your wedding arrangements prior to your arrival and ensuring you know what to expect when you arrive. They should supply you with accurate confirmations of your wedding arrangements; schedule your chapel time, flowers, photography, minister and the amenities in your wedding package. In addition, they prepare a processional form, so they and the remaining coordination team know how you want everyone to proceed up the aisle. The wedding coordinator can also help introduce you to other services such as the spa and beauty salon, restaurant and banquet sales teams, and let you know who to contact regarding room blocks.

The wedding coordinator is responsible for organizing your file so anyone on our team can pick up where they left off in the event that they are on vacation or off on your wedding date.

WHAT SHOULD I BE DOING?

After scheduling your ceremony it's important to review your confirmation documents and send a signed copy back to the chapel. Remember to review the papers carefully. Check any room reservations made through the chapel, and ensure the time and date of the ceremony, the venue, and your package details are correct. You should then be considering how your wedding party will proceed up the aisle, your flower selections and flower budget, your music selections, and what, if any, dinner parties or receptions you want to enjoy with your friends before and after your wedding ceremony.

WHEN CAN I CONTACT MY WEDDING COORDINATOR?

We recommend you contact your wedding coordinator as questions arise after your initial confirmation letter is sent. Your wedding coordinator will not reach out to you to finalize the details until approximately 30-days before the wedding. If your ceremony is several months away and your coordinator is off or on vacation, please allow them time to respond to your question as the wedding planners are typically handling a lot of communication at one time.

FREQUENTLY ASKED QUESTIONS LIST

WHAT IF I NEED AN ANSWER NOW AND MY COORDINATOR ISN'T AVAILABLE?

The coordinators at Flamingo work as a team. Call our main number at 800-933-7993 and ask to speak with any available coordinator. We all have access to your file and can answer any questions you might have concerning your ceremony. Your coordinator is the only person with access to change your contract, but we are all happy to take notes and pass the information along to her.

I CALLED MY WEDDING COORDINATOR YESTERDAY AND SHE STILL HASN'T CALLED ME BACK. AM I JUST A NUMBER?

The answer to this question is most definitely "NO". Our Wedding Coordinators are professional, very caring people who work very hard and want to be available for you. However, it is important to note that they are required to work in date order. They may be meeting with brides who are getting married within the week or running ceremonies that day. Please understand that our coordinators are usually out of the office three days a week and your coordinator will return your call or email as quickly as possible.

MUSIC:

CAN I PROVIDE MY OWN MUSIC?

Music is one of the most powerful ways of expressing your emotions during your wedding. Typically, there are four recorded musical selections played during the ceremony. The first is played for the groom and wedding party. The second is played as the bride enters. The third selection accents the vows. And the final

FLAMINGO GARDEN CHAPEL FREQUENTLY ASKED QUESTIONS LIST

selection rings out when you are pronounced for the first time. We ask that our brides/grooms provide us with a [YouTube link](#) when selecting the music for your coordinator to be able to finalize your wedding file.

We allow for a live pianist in each of our wedding packages at an additional cost. If you prefer a mix of piano and recorded music, there may be additional fee requirements. You may want to upgrade your package to include a string quartet or an arrangement of musicians. These things can be added to the package so discuss your options with your wedding coordinator. *Songs may not be played to their full length.*

CHAPEL OPTIONS:

WHAT OPTIONS DO I HAVE FOR FLOWERS?

Flowers provide color and style to your ceremony. There is nothing we talk about more than flowers! Our wedding coordinators can assist you in selecting the flowers that are perfect for your style and still within your budget. Our florists can create something unique for you or duplicate a bouquet you've selected as long as you provide a photograph or image of the bouquet.

Your wedding coordinator can help you design and order additional flowers as well.

- Please keep in mind that flowers are subject to seasonal availability and that color shades do vary according to the season. A perfect match is not always possible. Sometimes a contrasting color is your best choice. A yellow rose grown in November will be much darker in color than the same rose grown in August.
- If an exact color match is needed for your floral ribbons, please consider supplying the ribbon. While every effort will be made for the perfect match we cannot guarantee that this will be possible. Depending on your computer, the color of a printed picture may vary slightly.
- Occasionally a specific flower choice may become unavailable due to weather conditions, etc. In the event that this happens a substitution will be made at the discretion of the Chapel Wedding Coordinator.
- We never want to change your order but may be forced to find a similar but alternate flower to replace something that comes in of poor quality.
- A substitution of this kind would only be made in a last minute, emergency situation and will allow us to provide you with the best possible product.
- Charges for floral cancellations received less than 21 days prior to the ceremony cannot be refunded.
- While every effort will be made additions requested less than 10 days prior to the ceremony are not guaranteed and are subject to availability.
- Outside floral, including silk floral, is not allowed in the Chapels or at any other Ceremony Locations unless an "Outside Vendor Fee" is paid. The fee for outside floral is \$150 and will be charged to the credit card on file.
- Silk Petals should be used in any carpeted chapel areas in lieu of fresh petals.

AIR/GROUND TRANSPORTATION:

Las Vegas and cars go hand in hand. While our traffic is not as bad as in some cities, traversing the Strip at 5 pm is something one should do at a slow pace, not while in a hurry. If you or your guests are not staying at the same property you marry at, please remember to save plenty of time to arrive relaxed and pleasantly early for your ceremony. It is always best to check what events and conferences are in town and take into account if it is a holiday weekend, which can add more travel time to your ceremony.

There are several limousine and shuttle services available at McCarran International Airport, on the West Side exits from baggage claim, exit doors 7-13. Taxi cabs pick up from the baggage claim area outside exit doors 1-4.

If you prefer to rent a car, you may rent a car at McCarran or from Hertz inside the Flamingo Hotel.
