

Every day across Caesars Entertainment, our daily goal is to Inspire Grown-ups to Play. With more than 40 resorts and casinos, and as the leading Entertainment company in the world, our key to succeeding in this endeavor is in hiring talented team members who exemplify and subscribe to our culture of superior customer service, and to having fun with every person who walks through our doors. One team member who has been helping Harrah's Gulf Coast excel in these two areas for more than 20 years, is Sharon Legier; one of Harrah's most beloved and talented Table Games Dealers.

Overwhelmingly popular with our loyal guests, and heavily sought after, Sharon is consistently heralded as one of the best. Anyone who has sat at Sharon's table would not soon forget it; she greets all with her beaming, megawatt smile and infectious enthusiasm. Because of that, she regularly receives words of praise from guests, and is recognized with well-deserved accolades from her leaders.

Since joining our Harrah's Gulf Coast family in October of 1996, her joyful and playful spirit has been unwavering. Although self-proclaimed as shy, Sharon shines in the spotlight and has a zest for life that draws people to her like a magnet. Well-seasoned players, and the new alike, seek out her table – regardless of the game – because she makes it personal for them every time. Put more simply, she treats all her players like close friends and family.

Team members such as Sharon are my daily reminder for why I chose to join the gaming and hospitality industry; the simplicity and joy of helping our guests create memorable experiences and friendships. This March, Sharon and I personally invite you to Come Out & Play with your friends at Harrah's Gulf Coast. If you're lucky, you might just snag a seat at the most popular table in town – Sharon's.

Sincerely,
Kennedy Smith
Vice President of Marketing and Hospitality
