

At Harrah's Gulf Coast, it is fundamental to our core values that we not only help create memorable experiences and build meaningful relationships with our guests, but that we're also investing in the future and the communities in which our team members and their families work and live. This year, Harrah's Gulf Coast was fortunate enough to make a substantial investment in the future of the children of South Mississippi. Through the generosity of the Caesars Foundation, Harrah's Gulf Coast was privileged to provide a \$10,000 grant to The Boys & Girls Clubs of the Gulf Coast; a donation that will undoubtedly make an impact in the lives of over 3,500 children.

Since joining the Harrah's Gulf Coast family nearly five years ago, I am proud to have been an active member of The Boys & Girls Clubs of the Gulf Coast. This non-profit organization is dedicated to the continued development of programs that build self-confidence, self-esteem, and foster a sense of belonging and purpose in the youth living in our coastal counties. Having two young children myself, I see them in the face of every child I meet through the Boys & Girls Club. It's what motivates and inspires me to champion this worthwhile cause, while donating my time and resources as their Vice President of Operations.

It is the shared belief of our parent company, Caesars Entertainment, Harrah's Gulf Coast and our team members, that all children, regardless of their socio-economic status, have opportunities to recognize their unique potential and to have positive influences in their lives. We are proud to play a part in making this a reality in South Mississippi.

On behalf of Harrah's Gulf Coast, we look forward to being your Coastal escape and welcoming you back to our resort this May.

Sincerely,  
Kennedy Smith  
Vice President of Marketing and Hospitality  
Harrah's Gulf Coast
