

2022 GENERAL CONDITIONS AND TRACK RULES

2. All participants in racing at Harrah's Hoosier Park must accurately fill out a stall application.
3. No person shall use improper, profane, or indecent language, or be abusive to a racing official, any employee of Harrah's Hoosier Park, horseperson, or the Indiana Horse Racing Commission. In addition, no person shall, in any manner, or at any time disturb the peace or make themselves obnoxious while on the grounds.
4. Trainers that are stabled on the grounds must have their horses on the grounds by 6:00 PM the day before they race. Once a horse is programmed and "in to go" they will not be able to leave the HHP backside as of 6:00 PM the day before they race. If you have been allotted stalls, and you are on our grounds, all horses under your care are considered to be "on track". This applies to horses you may have stabled elsewhere. There are not separate rules for horses you may have on track and horses you may have stabled off track.
5. Any horse that demonstrates inconsistent or unusual performance, in Harrah's Hoosier Park's sole business discretion and judgment, and consistent with the high standards and greatest levels of integrity required by statute, may be required to stable on the backside of Harrah's Hoosier Park. In addition, trainers that have a UTRS of .400 or higher with 100 or more starts in the previous year or during the current year at Harrah's Hoosier Park or any other racetrack, in Harrah's Hoosier Park's sole business discretion and judgment, may be required to stable his/her horses on the backside of Harrah's Hoosier Park. The amount of time the horse is to be stabled on the grounds shall be determined in the sole discretion of Harrah's Hoosier Park management. Horses required to be stabled at Harrah's Hoosier Park shall not be charged for the cost of stabling. If a horse or trainer receives a positive test from the IHRC or in any other racing jurisdiction, the trainer may be required to stable that horse and/or the trainer's entire stable on the grounds of Harrah's Hoosier Park. The amount of time the horse is to be stabled on the grounds shall be determined in the sole business discretion and judgment of Harrah's Hoosier Park management. As a reminder, pursuant to 71 IAC 7-1-8, "No entry shall be accepted for any horse not stabled on the grounds of the permit holder unless its stabling elsewhere has been approved by the permit holder."
6. Horses stabled at Harrah's Hoosier Park are expected to race at Harrah's Hoosier Park and not at other racing venues. However, this does not apply to "paid in" events or situations where the horse has been entered at Harrah's Hoosier Park and the race has not filled. In addition, this does not apply to horses that are not competitive at Harrah's Hoosier Park after racing multiple times. If you feel an exception is warranted please contact the Director of Racing to discuss.
