The Riverboat Gambling Act of 1990 made it possible for Harrah's Entertainment to open up its first riverboat in Joliet; By the end of 1993, The Northern Star, a 210- foot, three-story vessel had just over 40 Table Games and nearly 600 slot machines.

There have been many modernizations over the last 25 years. In 1994, Harrah's expanded with a second vessel named the Southern Star and then in 1999, an 11-floor hotel was built. The 204-room hotel accommodates travelers and locals alike with 192 standard room and 8 luxurious suites. In October of 2001, Harrah's left the riverboats behind and became a single-level barge, which allowed guests to enter and exit the property without boarding times.
