COMMUNITIES WIN BIG

Through our “Code of Commitment” the entire Harrah’s Resort Southern California team is dedicated to making local communities healthy and vibrant places to work. We do this by offering a helping hand.

In addition to dedicating thousands of volunteer hours and in-kind donations to causes we value, the Harrah’s Resort SoCal team developed **All-in 4 Change**, a unique program that expands our reach and allows communities to choose the charities we help. In 2015 voters selected 10 worthy causes to receive much-needed funds. Now in year three, **All-in 4 Change** has continued to grow, giving away \$125,000 among 15 charities.

Through time, energy, passion and commitment, Harrah’s Resort SoCal teammates continue to make us proud.
