Organic Sunflower Honey Butter Dry Skin Elixir

80 Min \$175

Your service begins with a rich shea butter sugar scrub exfoliation. Then a warm rinse with calming and rejuvenating sea salts helps pull toxins out of the body while enhancing your natural skin tone.

A Sunflower Honey Butter serum enriched with vitamins E, A and beta-carotene is painted to the body to repair dry damaged skin as retinol fights against the signs of aging. You will be wrapped in a warm cocoon while a pressure point facial massage is performed. Your service is concluded with a application of warm agave oil.

You'll feel as fresh as a sunflower after an April Shower.
