Additional Rules:

- Must be playing at a Texas Hold'em Jackpot eligible cash game
- Must win the pot with Aces full of Deuces or better to qualify during the qualifying times and days.
- Minimum of 4 players dealt in at the start of the hand.
- The list of days of high hands is only for the month of January.
- Must use both hole cards.
- First payout would be ten minutes after the starting hour if there is a qualifying hand.
- Must be \$10 or more in the pot for cash games.
- Must beat the current high hand. Ties will not qualify.
- An ace full of deuces is the minimum qualifier to win.
- Must have a Total Rewards card and Valid I.D. to win.
- The time that the final action is completed in a hand will be used to determine the Qualifying Period for which the hand shall qualify. If necessary, a supervisor will use Surveillance to get an official time. The time shown on the High Hand clock will determine the payout period.
- Management reserves the right to cancel or alter this promotion at any time.
- This promotion may be postponed, rescheduled, or cancelled for the day and/or the value reduced in the event of major weather storms or other major events.
- Winners must show a valid I.D. and Total Rewards card to collect winnings. Residents of foreign countries without a U.S. tax treaty will be subject to withholding. Winners are responsible for any United States federal, state or local taxes and/or government fees that may be imposed in connection with the acceptance of the prize.
- Players must be 21 or older to participate.
- Any circumstances not covered in the rules will be decided on by a Supervisor or above and will be final.
