TOP FIVE POKER

Top 5 Poker is an exciting game where each Player and the Dealer are dealt 7 cards to get as many Top 5 highest ranking cards of a deck (A/K/Q/J/10) as possible. The 2-9 cards are ignored. Players win by having more Top 5 (A-10) cards than the Dealer. Standard card rankings (A>K>Q>J>10) are used to break ties between hands with the same number of Top 5 cards.

HOW TO PLAY:

1. Players wager an Ante and any optional bonus bet(s).
2. All players and the Dealer receive 7 cards, dealt face down.
3. A hand is ranked by the total number of Top 5 (A-10) cards.
4. After seeing their cards, Players must wager a Play bet equal to 1x their Ante or fold.
5. After all Players have acted on their hands, the Dealer will reveal his 7 card hand.
6. The Dealer qualifies with a Queen-Jack or better. If the Dealer does not qualify, all remaining Antes push.
7. Winning Player hands are paid even money on the Ante and Play bets on qualifying hands.
8. If the Player and Dealer hands tie, the Play and Ante bets both push.
