All Tournaments feature re-entry through the first break.

All Tournaments will withhold \$2 from each Buy-In for Tournament promotions and Player of the Year prizes.

¹**Sunday 3PM:** Will feature a Final Table Jackpot. \$5 of each entry goes towards a jackpot. When play reaches the final table, the Tournament Director will draw a name at random from all entries in the tournament, if the player is still actively playing in the poker room they will win the jackpot. If they are not, the jackpot will roll over to the next weekly tournament.

²**Wednesday Noon, Wednesday 7PM and Friday Midnight:** Bounty Tournaments. Each player will receive an "All In Chip". When a player is all in the chip goes into the pot. The winner of the pot gets the All In Chips. Once out of the tournament, players can redeem the All In Chips with the Tournament Director.

³**Monday 7pm and Friday Noon:** Guaranteed Prize Pools that will increase weekly if the guarantee is reached for the current week through the buy-ins. The guaranteed Prize Pools will start at \$1,000 and increase \$250 each week that the guarantee is reached. There must be a minimum of 9 players for the tournament to begin.

In 2019 each tournament entry will earn you a chance at a WSOP Main Event Seat Package (Valued at \$12,000). Sometime in early May 2019, we will generate a list of all Tournament Entrants from January 1 - April 30, 2019. We will then use a Random Generator to select 1 winner from this list and that player will receive a seat in the 2019 World Series of Poker \$10,000 Main Event in Las Vegas. If the player is present when their name is drawn, they will win an additional \$2,000 in cash for travel arrangements.
