

HORSESHOE POKER ROOM

HOUSE RULES

1. Discourteous behavior and abusive language will not be tolerated.
2. English will be the only language allowed when a hand is in progress.
3. One player per hand.
4. Players must protect their own hand at all times.
5. Cards must be kept in clear view at all times. Chips must be stacked with larger denomination chips on the top, in clear view at all times.
6. All games are table stakes.
7. Seating and table changes are controlled by a Supervisor. When table changing, to the same game you must bring your full stack with you. If stack is less than the minimum, you must buy-in to the minimum.
8. Cash does not play, chips must be in transit.
9. No Short buy-ins allowed. Buy-Ins must be between the minimum and maximum limits for the game being played.
10. A Soft Betting Line will be enforced at all times. Any chips cut or released in front of or touching the line will constitute a player's bet. It is the player's responsibility to be clear on their intentions before releasing any chips.
11. String bets are not allowed. You should either declare your intention verbally or place the proper amount of chips into the pot in one motion.
12. Check-raise permitted in all games. In Limit Games, one bet and 4 raises are allowed except when 2 players remain.
13. Cards read themselves. Dealer will assist in reading hands and winning hand(s) must expose all cards face up on the table.
14. Any discrepancies must be brought to the attention of a supervisor before the start of the next hand, which is when the dealer either pushes the green button on the shuffler or riffles one time.
15. Poker Room is not responsible for chips/and or cash left on table in the players absence.
16. It is improper for a guest to look at any hand in action and may result in removal.
17. Any player who engages in collusion or team play shall be subjected to eviction, prosecution, or both.
18. The house reserves the right to require any two players not play in the same game.
19. No Tobacco Products or electronic cigarettes allowed.
20. Decision of the poker supervisor is final.
