THE
Spa
AT HORSESHOE

Southern Lifestyle

—a beautiful
way of living
in which you embrace each day.

In the South, each breath, each moment is cherished: the scent of magnolias and gardenias; fireflies lighting up a garden; the breeze blowing softer; a slower pace of life; a calmer state of mind.

When in Tunica, tune out the world and tune in to your mind and body, only listening to the voice that guides you to peace and harmony.

Surrender yourself to a world of indulgence and well-being. From luxurious body treatments to advanced and award-winning skincare, our therapists will be in tune with the beat of your heart, the nature of your body, the beauty of your skin.

Charm meets grace at The Spa at Horseshoe
—where life goes on after a sprinkling of fine-tuning.

A close-up, warm-toned photograph of a woman lying on her side, receiving a massage. Her blonde hair is tied back. A hand with light-colored nail polish is visible, gently touching her shoulder and upper arm. The background is softly blurred, showing a towel and another person's arm. A dark red rectangular block is in the top left corner. A textured, parchment-like banner at the bottom contains a quote in a cursive font.

which Harmony is Restored.*

Inspirations Body Treatments*

Rituals inspired by the riches of Mississippi. From its heritage of American music, a flowing river, cotton fields, and lush foliage, we have curated a symphony of spa ceremonies with undertones of the beautiful South.
