THE GENTLEMEN'S FACIAL (BESPOKE)

Optimal results are achieved using our highly advanced product range which improves the skin's tone and overall complexion. This bespoke facial will help to combat and target your specific skin needs. Highly active serums and luxurious ingredients that are enriched with nourishing and soothing botanical extracts. Experience this supercharged facial and you will be surprised with the dramatic results!

50 MINS

THE GENTLEMEN'S DETOX FACIAL

Starting with a thorough skin analysis and consultation our highly experienced therapists carry out this deep cleansing facial using our award-winning products. This treatment draws out toxins, relieves congestion, minimises blocked pores, blackheads and milia by using active anti-oxidant peels, a combination of serums and pore refining masks. This is the ultimate facial for those concerned with oily combination skin types, and prone to breakout, and will leave your skin refreshed and balanced.

60 MINS

THE GENTLEMEN'S TONIC (ADVANCED ANTI-AGING)

Our most advanced anti-aging facial uses our new and innovative range of products, they fight against skin ageing which is caused by a combination of natural ageing and exposure to sunlight. Our advanced serums that contain the latest peptide technology and hyaluronic acid helps to fight free radicals, promote collagen production and increase hydration to the skin. This lifting facial massage helps to relieve deep tension giving the facial muscles a lift and helps to soften the appearance of fine lines and wrinkles.

60 MINS

EXPRESS FACIAL

This treatment uses our most advanced active anti-aging products such as our Hero Peptide Serum and our intensive Revitalize Eye Cream which, lift, tone and refresh the entire eye area.
