

The Sol – Sun Care Treatment

PRE SOL

A nourishing body exfoliation to prepare the skin for bronzing followed by a nutrition infused mask to drench your skin in moisture. Opt for the face set and protect SPF30 spray.

Body Exfoliation – Body Mask – Finishing Spray

50 MINS

POST SOL

A soothing aloe and cucumber wrap combined with cooling stones to soothe your skin after sun exposure. A nutrition infused face mask replenishes and cools the skin.

For her to enjoy an application of shimmer body oil and for him, a calming aloe mist.

Body Mask – Cooling Stone – Face Mask – Finishing Application

50 MINS
