The Caesars’ Code of Commitment governs the conduct of our business. It’s a public pledge to our employees, guests, and communities that we will honor the trust they have placed in us.

CODEGREEN POLICY

To improve the communities that we call home by enthusiastically exploring and implementing ways to reduce our environmental footprint. The heart of CodeGreen, our sustainability strategy, is our ability to fulfill our customer expectations, engage our employees and leverage their ideas and energy into investments that simultaneously improve our business and environmental performance.

COMMITMENT

> We invest in sustainable practices that increase energy efficiency and water conservation.
> We commit ourselves to measurable reductions in greenhouse gas emissions.
> We promote recycling and waste reduction at all our properties.

WE BELIEVE

> That the problems facing the planet demand real action today.
> That the small steps we take together can have a profound impact.
> That each of us has a duty to try to reduce waste, conserve resources, and minimize the impact of our operations.
> That the time to act is now.

SUPPORTING INITIATIVES IDENTIFIED

Core:
• Energy/Greenhouse Gas Emissions
• Waste/Landfill diversion
• Employee/Guest

Secondary Priority Areas:
• Water
• Supply Chain

CodeGreen Policy and Objectives | as of 11/2011
The Caesars’ Code of Commitment governs the conduct of our business. It’s a public pledge to our employees, guests, and communities that we will honor the trust they have placed in us.

**CODEGREEN POLICY**

To improve the communities that we call home by enthusiastically exploring and implementing ways to reduce our environmental footprint. The heart of CodeGreen, our sustainability strategy, is our ability to fulfill our customer expectations, engage our employees and leverage their ideas and energy into investments that simultaneously improve our business and environmental performance.
